

## **Mark's Audio/Visual Requests**

Mark's A/V requirements are quite simple. He uses powerpoints while speaking and therefore needs access to a projector and screen. Mark uses a lavalier microphone unless he is speaking to an especially small group or is in a room where everyone is easily within earshot

If you have any questions, please contact us at [service@markzinder.com](mailto:service@markzinder.com) or call 615-473-1950.

**For A/V needs on-site, please contact Mark at 615-473-1950.**
